Questions: Reservation Policy

Will my credit card be charged when I make reservations?

The charges on the room will be placed on the credit card upon departure of the guest. However, at the time of check-in, guests will be required to submit a credit card for incidental charges.

What is the cancellation policy?

As long as the cancellation is done by October 7, 2015, guests will not be charged.

If I reserve a room for Oct 8, 2015, and arrive Oct 9, 2015 due to flight issues, weather or world events, will my credit card be charged?

For such things as severe weather issues or terrorist activities that the guests has no control over, we will dismiss the cancellation policy. However, if it is due to individual travel problems (they were late to their flight, etc.), the cancellation policy applies.
